

Dear Judge Bare,

I wanted to take the opportunity to express to you the gratitude I have for you and the manner in which you conducted court this past week. As an empaneled juror I was not only pleased with the decorum presented in court, but the level of professionalism you displayed in engaging members of the jury. While our trial did not run the full course to deliberation, the voluntary process to “mock-deliberate” was not only value added to those present, I also feel strongly it provided a semblance of closure to those who served on the jury. As a former Marine it was refreshing to see this judicial process and I am pleased to let you know that you have bolstered my faith in public service.

Sincerely,

a.k.a. Juror #6
