Your honor,

I felt compelled to email you to again thank you for your time, your care and most of all your service to the citizens of Clark County. I am now proud to say I was happy to have served as juror after all my years of eligibility, this was my very first time as I was always selected out of serving for who knows what reason.

I was extremely pleased in how you conducted the courtroom and how you obviously cared for all of us in the jury. It was obvious how committed you are the moment you told us "you guys are it for me" when you spoke with us in the deliberation room. It was very touching and I thank you for sharing your sentiments. Please continue the great job you are doing and for setting a great example to others. God bless you.
