

Your Honor,

I served as a prospective juror today on the Walker case, but was not selected for a position on the jury. I just wanted to pass along my thanks to you for making the experience a pleasant one. Your courtroom demeanor was positive, courteous, and very respectful. You were incredibly patient with us, and your courtroom demeanor was very much appreciated. Prospective jurors were very motivated by your personal story, and were unusually ready to serve despite the interruption the trial would bring to their lives.

I don't know if you hear it often, but thank you for an excellent experience.

Respectfully,
